May our Compassionate God comfort you in your loss. /

FLU SEASON

Dear Residents, **Flu season** usually happens in Texas from the fall through the spring. Older adults are more at risk because our bodies don't fight germs as strongly as before. The flu can make people very sick, but the good news is there are simple ways to stay protected.

How You Can Help Protect Yourself:

- Get your yearly flu shot.
- Wash your hands often with soap and water.
- Cover your coughs and sneezes with a tissue or your elbow.
- Avoid close contact with anyone who feels sick.
- Eat healthy meals and drink plenty of water to keep your body strong.

What We're Doing to Keep You Safe: Our staff members are cleaning and disinfecting often, watching for flu symptoms, and encouraging vaccines for staff and visitors. If you start to feel fever, cough, sore throat, or body aches, please tell a nurse right away. Quick care can help you feel better faster.

Together, we can make this flu season safer for everyone!

November Thanksgiving Day Prayer / Noviembre Oracion del Dia de Accion de Gracias.

In this celebration, O Lord our God, you have shown us the depths of your love for all your children; help us, we pray, to reach out in love to all your people, so that we may share with them the good things of time and eternity. Through Christ our Lord.

Amen.

Señor Dios, en esta celebración nos has mostrado cuán profundo es tu amor hacia todos tus hijos; te pedimos nos ayudes a extender ese amor a todo tu pueblo para que sepamos compartir con todos los bienes del tiempo y la eternidad.

Por Jesucristo, nuestro Señor.

Amen.

SPECIAL EVENTS/ EVENTOS ESPECIALES
