COLD SEASON

Cold weather can be especially risky for older adults, so taking a few simple precautions can make a big difference. Here are some practical, ways to help keep the geriatric population warm and safe:

- *Maintain indoor temperatures at a safe level
- *Use layered clothing, warm socks, blankets, and draft blockers around doors/windows.
- *Add hats, gloves, scarves, and warm, non-slip boots when going outside.
- *Check that carbon monoxide and smoke detectors are working if heating devices are in use.
- *Regular check-ins (in person or by phone) to help ensure they're warm, safe, and have what they need when at home.

December Prayer / Oracion de Diciembre

Making the best use of the time, because the days are evil.

Ephesians 5:16

God of mercy, teach me to live according to your liturgical year. Help me to be filled with the feelings proper to Advent and prepare myself properly for the renewed birth of your son in my heart. Amen.

Aprovechen al maximo todas sus oportunidades, porque los dias son malos.

Efesios 5:16

Dios de misericordia, enseñame a vivir de acuerdo con Tu Año Liturgico. Ayudame a estar lleno de los sentimientos propios del Adviento y prepárame apropiadamente para el nacimiento renovado de Tu Hijo en mi corazon. Amen
